**Send check to Educational Travel Service Inc., P.O. Box 373, Brockport NY 14420**

**PLEASE SEND ME THE FOLLOWING LECTURE (S). Check the space preceding the title.**

\_\_\_\_\_ **“MEXICO’S INDIAN HERITAGE”** explores the rise of sedentary Indian cultures in Mexico leading to the dominance of the Mexica (Aztecs) and their contribution to Mexican culture then and now. It includes an analysis of the position of Indians in modern society and the most salient features of the Indian experience affecting the psyche of Mexicans today.

\_\_\_\_\_ **“THE MEXICAN POLITICAL SYSTEM: DEMYSTIFYING ONE PARTY DEMOCRACY”** attempts to explain the 70 year domination of Mexico by one political party that claimed to be democratic. The transition to a more open democratic system is traced to the fraudulent election of 1988 and the unraveling of national stability.

\_\_\_\_\_ **“CATASTROPHES, CADAVERS & MEXICO’S TRANSITION TO DEMOCRACY”** describes the dire straits following the election of 1994, and how economic crisis, political scandals, and multiple cadavers impacted the move toward genuine democracy and the victory of Vicente Fox in 2000.

\_\_\_\_\_ **“THE UNITED STATES & MEXICO: THE BOUNDARIES OF MUTUAL DEPENDENCE”** explores the nature of dependency and the history of U.S. lack of respect for Mexico leading to a severe deterioration in relations in the mid-80s, improvements in policy under George Bush and Bill Clinton, the initial honeymoon between George W. Bush and Vicente Fox, and the implications of their recent falling out.

\_\_\_\_\_ **“IMMIGRATION, THE POLEMICS & THE POLITICS,”** provides an analysis of the recent issues surrounding the immigration controversy and political responses in the US and Mexico.
